

## Invitation

We would like to invite you as well as your, children, grandchildren, friends and acquaintances to a special Free of charge, outdoor event at the Merit Crystal Cove Hotel in Alsancak.

**The date is: 5th September 2020 from 4.30p.m till approximately 6.30 pm.**

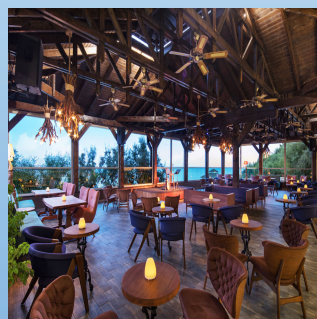

**Optional: Dinner at Merit Royal Premium Hotel from 7.30 pm.**

## Tour

We will start at 4.30 pm with a tour of the Meritta Sea Turtle Rehabilitation Center. Here we can see how injured turtles are taken care of and cared for.

Following recovery, these turtles are chipped and placed back in the sea and can be followed via a tracker on their sometimes-long journeys around the world.

You can adopt a turtle as a gift for a child and track its journeys around the world.

## Fun for the children

Apart from the tour the children will also see the swans and ducks in the cove, visit the bird sanctuary or have fun in the play area which is partly shaded by the trees. There will also be pony riding for the more adventurous.

There is fun, education and excitement for all ages.
