# What's Rotary

Rotary is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotary club members belonging to 34,000 Rotary clubs in more than 200 countries and geographical areas.

Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005. The Rotary Foundation has awarded more than US\$2.1 billion in grants, which are administered at the local level by Rotary clubs.

What is the purpose of Rotary?

Rotary clubs exist to improve communities through a range of humanitarian, intercultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high ethical standards in all vocations.

What do Rotary clubs do?

Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. Examples of Rotary's focus areas include:

**Polio Eradication** - In 1985, Rotary International created PolioPlus – a program to immunize all the world's children against polio. To date, Rotary has contributed more than US\$1 billion and countless volunteer hours to the protection of more than two billion children in 122 countries. Rotary is currently working to raise an additional US\$200 million toward a US\$355 million challenge grant from the Bill & Melinda Gates Foundation. These efforts are providing much needed polio vaccine, operational support, medical personnel, laboratory equipment and educational materials for health workers and parents. In addition, Rotary has played a major role in decisions by donor governments to contribute over \$6 billion to the effort. With its community-based network worldwide, Rotary is the volunteer arm of the global partnership dedicated to eradicating polio. Rotary volunteers assist in vaccine delivery, social mobilization and logistical help in cooperation with the national health ministries, the World Health Organization (WHO), UNICEF, and the U.S. Centers for Disease Control and Prevention.

**Peace** - In an effort to educate tomorrow's peacemakers and ambassadors, up to 110 Rotary World Peace Fellows are sponsored each year to study at one of the eight universities for International Studies in peace and conflict resolution. Since 2002, 431 fellows from over 75 countries have participated at a cost of more than \$23 million.

**International Education** - Rotary is the world's largest privately-funded source of international scholarships. Each year, about 1,000 university students receive Rotary scholarships to study abroad. Rotary clubs also coordinate a high school-age student exchange program that has sent nearly 8,000 students abroad for three months to a year.

**Humanitarian Projects** - Rotary clubs initiate thousands of humanitarian service projects every year. These volunteer-driven projects address the root causes of conflict, such as hunger, poverty, disease and illiteracy.

**Literacy** - Rotary clubs work to improve literacy rates worldwide. A unique, Rotary-pioneered approach called the Concentrated Language Encounter (CLE) has proven very effective in resource-strapped developing countries. It was so successful in Thailand, that the Thai government adopted the program nationwide.

**Water Management** - Recognizing the importance of clean water, many Rotary clubs help to install wells and develop water treatment and distribution systems to increase access to fresh drinking water for communities in need, especially in developing countries

## Changes you should know for the new Rotary year Rotary International News -- 1 July 2013 - By Arnold R. Grahl

For three years, 100 districts have been testing Future Vision, a pilot of The Rotary Foundation's new grant system, which was designed to increase Rotary's effectiveness during the next century of service.

As the new Rotary year dawns, the future has begun. All districts begin using the simplified grant structure 1 July. Districts have already been completing the qualification process and qualifying their clubs. A number of clubs and districts have begun preparing and submitting grant applications.

There will be three types of grants: global, district, and packaged. You can learn about all three types, and get more details about the application process, on [Rotary's grant microsite](#).

Also on 1 July, new leaders will take office at the club, district, and international levels.

Ron D. Burton, of the Rotary Club of Norman, Oklahoma, USA, will become Rotary's 103rd president and will encourage Rotarians to *Engage Rotary, Change Lives*. Read a [profile of Burton](#) from *The Rotarian* and [download his convention speech](#).

Anne L. Matthews, a member of the Rotary Club of Columbia East, South Carolina, USA, will become the first woman to serve as vice president. Matthews, a former director of South Carolina's Department of Education, is president of Matthews and Associates, an educational consulting firm. Read [her biography](#).

Dong Kurn Lee, of the Rotary Club of Seoul Hangang, Korea, will take over as Rotary Foundation trustee chair. Read [his biography](#) and [download his convention speech](#).

Other changes for 2013-14:

- Rotarians will be allowed to form satellite clubs, whose members meet at a different time and location from their parent clubs. The change, approved by the Council on Legislation in April, is intended to make it easier for members to develop the core for a new club.
- Districts will be able to form an unlimited number of e-clubs. The Council removed a limit of two e-clubs per district. The change is designed to bring in new members and appeal to young professionals, who may be less able to meet in person weekly.
- The name of Rotary's fifth Avenue of Service will change from "New Generations Service" to "Youth Service." This change was also approved by the Council. In 2010, this avenue of service joined Club Service, Vocational Service, Community Service, and International Service.
- The dues Rotary clubs pay Rotary International will increase US\$1 to \$53 per member.
- A redesigned Rotary website will be launched in late summer.

The [RI Board of Directors](#) will seat nine new directors 1 July, along with 2013-14 President-elect Gary C.K. Huang, of the Rotary Club of Taipei, Taiwan. The new directors for 2013-14 are Celia Elena Cruz de Giay, of the Rotary Club of Arrecifes, Buenos Aires, Argentina; Mary Beth Growney Selene, of the Rotary Club of Madison West Towne-Middleton, Wisconsin, USA; Seiji Kita, of the Rotary Club of Urawa East, Saitama, Japan; Holger Knaack, of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany; Larry A. Lunsford, of the Rotary Club of Kansas City-Plaza, Missouri, USA; P.T. Prabhakar, of the Rotary Club of Madras Central, Tamil Nadu, India; Sangkoo Yun, of the Rotary Club of Sae Hanyang, Seoul, Korea; Steven A. Snyder, of the Rotary Club of Auburn, California, USA; and Michael F. Webb, of the Rotary Club of Mendip, Somerset, England.

The [Rotary Foundation Board of Trustees](#) will seat new members Monty J. Audenart, of the Rotary Club of Red Deer East, Alberta, Canada; Noel A. Bajat, of the Rotary Club of Abbeville, Louisiana, USA; and Kalyan Banerjee, of the Rotary Club of Vapi, Maharashtra, India. John Kenny, of the Rotary Club of Grangemouth, Scotland, will serve as chair-elect, and Michael K. McGovern, of the Rotary Club of South Portland-Cape Elizabeth, Maine, USA, as vice-chair.

# Public Relations Plan

## Public Relations Plan

### Main target:

To get more citizens aware, especially those who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should seek and aim to expose and to promote most of our major activities, through the media (local and national).

### Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-side, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

### Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

### Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.
