ΚΛΗΡΩΣΗ

Ο τυχερός της ημέρας είναι ο Ροταριανός Παύλος Σιμάν, δώρο— κρασί Cabernet Sauvignon - προσφορά του Hilton

Φίλοι Ροταριανοί,

Μετά από ευγενή παράκληση του προέδρου είναι χαρά μου να σας πω δυο λόγια για τις πρόσφατες καλοκαιρινές διακοπές. Μερικοί από εσάς γνωρίζουν ότι τα τελευταία χρόνια στον ελεύθερο μου χρόνο επιδίωξα και εξασφάλισα δίπλωμα καπετάνιου (licenced skipper) από τον βρετανικό οργανισμό RYA (royal yaughting association). Έκτοτε έχω ταξιδέψει με ιστιοφόρα σκάφη σχεδόν σε όλα τα Ελληνικά νησιά (γνωστά και άγνωστα), Ιταλία, Λίβανο και άλλα μέρη και σε έλαβα μέρος σε αρκετούς αγώνες σκαφών.

Πρόσφατα έχουμε οργανώσει ένα ταξίδι μαζί με τον φίλο και καπετάνιο Σοφοκλή Βογιαζή που αρκετοί γνωρίζετε προσωπικά, αν και δεν είναι μέλος του ομίλου μας έχει παρευρεθεί σε πολλά events μας τα τελευταία χρόνια. Ξεκινήσαμε με μία ομάδα τεσσάρων ατόμων από την μαρίνα της Λάρνακας με προορισμό το γνωστό σε όλους Καστελλόριζο (νήσος Μεγίστη).

Το πρώτο σκέλος διάρκεσε 36 ώρες δίχως διακοπή. Στην διάρκεια η ομάδα ψάρεψε ένα τόνο πέντε κιλών με καλάμι. Στην συνέχεια προχωρήσαμε προς το νησί της Ρόδου (12 ώρες).

Ο τελικός μας προορισμός ήταν η νήσος Πάτμος. Καθ' οδών αγκυροβολήσαμε σε απόμερους κόλπους στην Κάλυμνο, Αγαθονήσι, νήσο Κώ, Νίσυρο, νήσο Πσέριμο, Λέρος και Σύμη όπου και πλαγιοδετήσαμε στην Μονή Πανωρμίτη. Περάσαμε από τις γνωστές βραχονησίδες Ίμια και εντός των τούρκικων ορίων ταξιδεύοντας προς Καστελλόριζο και Ρόδο.

Το ταξίδι μας διάρκεσε τρεις εβδομάδες στις οποίες πολλοί φίλοι μας, επισκέπτονταν σε διάφορα νησιά για μερικές μέρες σαν πλήρωμα αντικαθιστώντας τους προηγούμενους. Οι εμπειρίες και τα απρόοπτα του ταξιδιού μας είναι πολλά για να περιγραφούν σε μια σύντομη ανακοίνωση. Ευελπιστώ να μου δοθεί η ευκαιρία να ταξιδέψω και άλλους φίλους και φίλες Ροταριανούς σε παρόμοια ταξίδια.

Φιλικά

What's Rotary

Rotary is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotary club members belonging to 34,000 Rotary clubs in more than 200 countries and geographical areas.

Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005. The Rotary Foundation has awarded more than US\$2.1 billion in grants, which are administered at the local level by Rotary clubs.

What is the purpose of Rotary?

Rotary clubs exist to improve communities through a range of humanitarian, intercultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high ethical standards in all vocations.

What do Rotary clubs do?

Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. Examples of Rotary's focus areas include:

Polio Eradication - In 1985, Rotary International created PolioPlus – a program to immunize all the world's children against polio. To date, Rotary has contributed more than US\$1 billion and countless volunteer hours to the protection of more than two billion children in 122 countries. Rotary is currently working to raise an additional US\$200 million toward a US\$355 million challenge grant from the Bill & Melinda Gates Foundation. These efforts are providing much needed polio vaccine, operational support, medical personnel, laboratory equipment and educational materials for health workers and parents. In addition, Rotary has played a major role in decisions by donor governments to contribute over \$6 billion to the effort. With its community-based network worldwide, Rotary is the volunteer arm of the global partnership dedicated to eradicating polio. Rotary volunteers assist in vaccine delivery, social mobilization and logistical help in cooperation with the national health ministries, the World Health Organization (WHO), UNICEF, and the U.S. Centers for Disease Control and Prevention.

Peace - In an effort to educate tomorrow's peacemakers and ambassadors, up to 110 Rotary World Peace Fellows are sponsored each year to study at one of the eight universities for International Studies in peace and conflict resolution. Since 2002, 431 fellows from over 75 countries have participated at a cost of more than \$23 million.

International Education - Rotary is the world's largest privately-funded source of international scholarships. Each year, about 1,000 university students receive Rotary scholarships to study abroad. Rotary clubs also coordinate a high school-age student exchange program that has sent nearly 8,000 students abroad for three months to a year.

Humanitarian Projects - Rotary clubs initiate thousands of humanitarian service projects every year. These volunteer-driven projects address the root causes of conflict, such as hunger, poverty, disease and illiteracy.

Literacy - Rotary clubs work to improve literacy rates worldwide. A unique, Rotary-pioneered approach called the Concentrated Language Encounter (CLE) has proven very effective in resource-strapped developing countries. It was so successful in Thailand, that the Thai government adopted the program nationwide.

Water Management - Recognizing the importance of clean water, many Rotary clubs help to install wells and develop water treatment and distribution systems to increase access to fresh drinking water for communities in need, especially in developing countries

OPENING THE DOOR TO POLIO ERADICATION

It's been more than two years since the last polio case was reported in Côte d'Ivoire. Time enough for people to become complacent about immunizations. But that would be a mistake – a potentially deadly mistake.

“The public sometimes doesn't understand why, after so many rounds of polio immunization, they are still being asked to bring their children to the immunization post,” says Marie-Irène Richmond-Ahoua, chair of Rotary's National PolioPlus Committee in Côte d'Ivoire.

As a long-time advocate for polio eradication, Richmond-Ahoua knows you can't let up against this tenacious and crippling disease. With Nigeria one of three remaining polio-endemic countries, the possibility of fresh outbreaks in Côte d'Ivoire is a constant threat. The only way to keep the poliovirus out of the country are regular immunizations of all children under age five.

During National Immunization Days (NIDs) in April, thousands of volunteers and health workers, together with Rotary and Rotaract members, canvassed the streets throughout the country in search of children to immunize. They traveled from house to house knocking on doors in shantytowns and rural villages. But gaining entrance to these homes required another round of convincing.

“Côte d'Ivoire has just experienced a conflict and people are still cautious. They don't want to open their door to just anyone,” says Richmond-Ahoua. But once they see the polio T-shirts and hats that Rotary clubs supply to identify vaccinators, she says they feel safe opening their doors.

Communication is also key to mobilizing public support. Rotary members use the media, television, radio, and even griots, African tribal storytellers, to encourage participation in immunizations. As a result, 7.5 million children received two drops of oral polio vaccine, along with vitamin A supplements and deworming tablets, during the NIDs.

Supplementary immunization campaigns like this one are part of the comprehensive 2013-18 [Polio Eradication and Endgame Strategic Plan](#). The plan outlines what is needed to eradicate all polio disease by 2018. In June the Bill & Melinda Gates Foundation announced a [new fundraising agreement](#) with Rotary. If successful, the campaign, which matches donations two-to-one (up to \$35 million per year), will help raise \$525 million for polio eradication.

“Polio eradication is not an option, it's an obligation,” Richmond-Ahoua says. “When you consider what's been done in Côte d'Ivoire, despite the many obstacles we've faced, you are deeply convinced that polio will soon be eradicated.”

Public Relations Plan

Public Relations Plan

Main target:

To get more citizens aware, especially those who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should seek and aim to expose and to promote most of our major activities, through the media (local and national).

Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-side, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.
