Redistricting Confirmed

**Clubs in District 2450 will be
reorganized into two new districts, effective 1 July 2013**

**Fellow Rotarians,
Greetings,**

I am pleased to announce that Rotary International advised me today that redistricting D2450 has been confirmed.

Consequently the RI Board's decision takes effect as stipulated in the letter sent to clubs last October.

This means there will be two districts as of **1 July 2013**.

District 2451 - EGYPT

and

District 2452 - ARMENIA, BAHRAIN, CYPRUS, GEORGIA, JORDAN, LEBANON, PALESTINE, SOUTH SUDAN, SUDAN, AND THE UNITED ARAB EMIRATES.

This is a new beginning for Rotary Clubs of both new Districts. I seize this occasion to assure all Rotarians that the bond between them is and will stay as strong as it has always been and as permanent as they want it to last. I am sure the future will bring more success to all clubs and countries and Rotary will flourish further.

Clubs of both districts will devise ways to do many things jointly and work Rotary together in many avenues.

The eighty years of standing together, working jointly, facing challenges, reaping successes and celebrating achievements together will always be cherished and remembered with joy and optimism. I am sure you agree with me.

Yours in Rotary,

USAMA A. BARGHOUTH

Historic Moments -- Collecting History

By Susan Hanf

Rotary International News – 16 December 2011

A portion of a 4-foot-wide panoramic image donated by the Rotary Club of Rapid City Rushmore, South Dakota, USA, shows Rotarians in front of the First Baptist Church in Council Bluffs, Iowa, during a 1928 conference. *Rotary Images*

From Paul Harris's typewriter to the shillelagh used – albeit symbolically – to keep order at RI conventions, the Rotary Archives is filled with one-of-a-kind artifacts, photographs, and documents.

Generous contributions from clubs and individuals have created a valuable collection that chronicles more than 100 years of Service Above Self.

Donations have included [letters written by Paul Harris](#), sheet music for songs about Rotary, and scrapbooks documenting club and district activities.

The Rotary Club of Rapid City Rushmore, South Dakota, USA, donated three photographic panoramas from the 1920s. Among them is a photo taken during the 1926 RI Convention in Denver, Colorado, that is more than 4 feet wide.

Luis Casero Guillén, who served two terms as president of the Rotary Club of Santiago de Cuba, Cuba, in the 1930s, documented his family life and Rotary activities in 29 scrapbooks. After his death, his family donated sections of the scrapbooks that illustrated club and district events through the 1950s.

These kinds of donations were added to Rotary's archives because they provide information about areas of interest that were not well represented in the collection.

The archives also keeps documentation of RI Board decisions and publications produced by Rotary International, including *The Rotarian* and convention proceedings.

Have a Rotary treasure hiding in your attic that you'd like to donate? Contact [Rotary History and Archives](#) at history@rotary.org. Early convention materials, papers from past RI presidents, and many other items help tell Rotary's story. In anticipation of Interact's 50th anniversary in 2012, the Rotary Archives is especially interested in artifacts, documents, and photographs related to the early history of the program.

Public Relations Plan

Public Relations Plan

Main target:

To get more citizens aware, especially those who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should seek and aim to expose and to promote most of our major activities, through the media (local and national).

Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-side, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.
