Δευτέρα 10 Μαρτίου 2014

Ο Ροταριανός όμιλος Λευκωσίας σε συνεργασία με την θεατρική Ομάδα «Προμηθέας, παρουσιάζει σε μοντέρνα διασκευή την κωμωδία του Κώστα Πρετεντέρη «Ο ΜΑΜΑΚΙΑΣ». Παίχτηκε για πρώτη φορά με την ονομασία «Ο ΚΟΥΝΕΝΕΣ» στο Θέατρο Γκλόρια το 1978 με πρωταγωνιστές τον Κώστα Βουτσά και την Ελένη Ανουσάκη.

Πρόκειται για μια απολαυστική κωμωδία με συνεχείς ανατροπές και απολαυστικούς διαλόγους, που γράφτηκε λίγο πριν τον θάνατο του συγγραφέα, το 1978 και ρίχνει φως στη σχέση μάνας-γιου, ακόμη κι όταν ο γιος αυτός έχει χρόνια που έφυγε απ' την κούνια του. Το έργο "Ο Μαμάκιας", διαθέτει στερεή σκηνική τεχνική, εύστροφο διάλογο, ευρηματικά επεισόδια, αλλά και -το σπουδαιότεροσωστή διαγραφή ρωμέικης πραγματικότητας, κωμωδία δεν γίνεται ποτέ κλοτσοπατινάδα, σάτιρα δεν ξεπέφτει ποτέ στη χυδαιότητα». Έργα σαν αυτό σέβονται τη λογική, τη σκηνή και το κοινό ενώ περιέχουν "αλήθεια" και "συμπάθεια" για τους ταλαίπωρους και ταλαιπωρούντες

Ο όμιλος μας έχει προκρατήσει 40 εισητήρια για το θεατρικό έργο και συνάμα να βοηθήσει στην συλλογή χρημάτων από τον Ροταριανό Όμιλο Λευκωσίας.

# What's Rotary

Rotary is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotary club members belonging to 34,000 Rotary clubs in more than 200 countries and geographical areas.

Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005. The Rotary Foundation has awarded more than US\$2.1 billion in grants, which are administered at the local level by Rotary clubs. What is the purpose of Rotary?

Rotary clubs exist to improve communities through a range of humanitarian, intercultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high ethical standards in all vocations.

What do Rotary clubs do?

Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. Examples of Rotary's focus areas include:

**Polio Eradication** - In 1985, Rotary International created PolioPlus – a program to immunize all the world's children against polio. To date, Rotary has contributed more than US\$1 billion and countless volunteer hours to the protection of more than two billion children in 122 countries. Rotary is currently working to raise an additional US\$200 million toward a US\$355 million challenge grant from the Bill & Melinda Gates Foundation. These efforts are providing much needed polio vaccine, operational support, medical personnel, laboratory equipment and educational materials for health workers and parents. In addition, Rotary has played a major role in decisions by donor governments to contribute over \$6 billion to the effort. With its community-based network worldwide, Rotary is the volunteer arm of the global partnership dedicated to eradicating polio. Rotary volunteers assist in vaccine delivery, social mobilization and logistical help in cooperation with the national health ministries, the World Health Organization (WHO), UNICEF, and the U.S. Centers for Disease Control and Prevention.

**Peace** - In an effort to educate tomorrow's peacemakers and ambassadors, up to 110 Rotary World Peace Fellows are sponsored each year to study at one of the eight universities for International Studies in peace and conflict resolution. Since 2002, 431 fellows from over 75 countries have participated at a cost of more than \$23 million.

**International Education** - Rotary is the world's largest privately-funded source of international scholarships. Each year, about 1,000 university students receive Rotary scholarships to study abroad. Rotary clubs also coordinate a high school-age student exchange program that has sent nearly 8,000 students abroad for three months to a year.

**Humanitarian Projects** - Rotary clubs initiate thousands of humanitarian service projects every year. These volunteer-driven projects address the root causes of conflict, such as hunger, poverty, disease and illiteracy. **Literacy** - Rotary clubs work to improve literacy rates worldwide. A unique, Rotary-pioneered approach called the Concentrated Language Encounter (CLE) has proven very effective in resource-strapped developing countries. It was so successful in Thailand, that the Thai government adopted the program nationwide.

**Water Management -** Recognizing the importance of clean water, many Rotary clubs help to install wells and develop water treatment and distribution systems to increase access to fresh drinking water for communities in need, especially in developing countries

# Why Join Us

### **Benefits of Rotary**

Rotary is Humanity in Motion. There are many reasons to join a local Rotary club

### Networking

An original goal of Rotary was to allow club members to meet periodically and enlarge their circle of business and professional acquaintances. As members of the oldest service club in the world, Rotarians represent a cross-section of their community's business owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

### Service

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address concerns such as health care, hunger,

poverty, illiteracy, and the environment. Rotarians regularly experience the fulfillment that comes from giving back to the community.

### Friendship

Rotary was founded on fellowship, a cornerstone that continues to attract members today. Rotarians enjoy camaraderie with like-minded professionals, and club

projects provide opportunities to develop enduring friendships. Club members who travel have friendly contacts in almost every city of the world.

### **Family**

Rotary sponsors some of the world's largest exchange and educational programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders, and they involve family members in a wide range of social and service activities.

### **Ethics**

Encouraging high ethical standards and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. In their business and professional

lives, Rotarians abide by The Four-Way Test: Of the things we think, say or do Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

### Leadership

Rotary is an organization of successful professionals. Team-building, fundraising, public speaking, planning, organization, and communication are just some of the

leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in motivating, inspiring, and guiding others.

ROTARY INTERNATIONAL CONVENTION

## **Public Relations Plan**

### **Public Relations Plan**

### Main target:

To get more citizens aware, especially whose who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should sick and aim to expose and to promote most of our major activities, through the media (local and national).

### Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- · Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-side, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

### Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

### Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.
