Past RI President Glenn Estess Sr. dies

By Ryan Hyland
Rotary International News – 8 February 2012

Glenn E. Estess Sr., who served as 2004-05 RI president during Rotary's centennial year, died on 7 February. He was 84.

In 1993, Estess retired as chief executive officer of Glenn Estess Associates Inc., a sales and marketing personnel consulting firm, to devote himself full-time to Rotary.

"I am sure the word most often used to describe Past President Glenn is 'gentle,'" says Rotary Foundation Trustee Chair William B. Boyd. "He was strong in his beliefs but always gentle in expressing them and treated all people with respect and courtesy. He served the world through Rotary in many ways and always with a smile. The Rotary family will miss him. Our hearts go out to his wife, Mary."

Estess, who joined Rotary in 1960, was a member of the Rotary Club of Shades Valley, Alabama, USA. In addition to his term as RI president, he served in numerous capacities including Rotary Foundation trustee chair, RI vice president and director, president's aide, PolioPlus national coordinator, RI Audit and Operations Review Committee chair, International Assembly group discussion leader, and district governor.

He was a recipient of the RI Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Award. He was a Foundation Major Donor, a Paul Harris Fellow, and benefactor.

Through the RI theme *Celebrate Rotary*, Estess encouraged clubs to implement a Rotary centennial community project, form twin club relationships, and support the Every Rotarian, Every Year effort, which aims to achieve an annual US\$100 per capita contribution level for the Foundation's Annual Fund.

"Glenn Estess had an uncomplicated but effective theme for Rotary's centennial year," says RI President Kalyan Banerjee. "He celebrated Rotary so aptly and simply during that year. It was amazing. Glenn was always humble, courteous, straightforward, and always doing the right thing."

Estess served as president of the Birmingham Sales & Marketing Executives Association and the Alabama Association of Personnel Consultants.

Estess' other accomplishments included director of Central Alabama Better Business Bureau; trustee chair of Baptist Medical Centers; chair of YMCA in Florida, the American Chemical Society, and the American Arthritis Foundation; and regent of the National Association of Personnel Consultants.

"The Four-Way Test was never a challenge for the lifestyle Glenn lived by. He embodied those values and set an example for so many Rotarians," says Donald E. Osburn, aide to the president during Estess' term. "He always said Rotary is about making friendships for life and that's exactly what he did all over the world."

He is survived by his wife, Mary; son Glenn Estess Jr.; and daughters Elizabeth Wilson and Nancy Martin.

Funeral services will be held on Friday, 10 February, at 1 p.m. at Brookwood Baptist Church, 3944 Overton Road, Birmingham, Alabama, 35223. Visitation will be held Thursday, 9 February, from 5 p.m. to 7 p.m. at the church.

In lieu of flowers, memorial contributions may be made to the Glenn E. Estess Sr. Endowed Scholarship Fund at The Rotary Foundation, either [online](#) or through an [RI international office](#). Contributions may also be directed to the Glenn E. Estess Sr. Endowed Scholarship Fund, under the Foundation's [Permanent Fund](#).

Public Relations Plan

Public Relations Plan

Main target:

To get more citizens aware, especially those who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should seek and aim to expose and to promote most of our major activities, through the media (local and national).

Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-side, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.
