Rotarians leave Bangkok encouraged to fight poverty and finish the job of eradicating polio

Rotary International News -- 9 May 2012

Rotarians and friends left the 2012 RI Convention in Bangkok, Thailand, energized to keep up the fight against polio and to use their ingenuity to help reduce global poverty.

The four-day event, which drew to a close Wednesday, attracted more than 35,000 attendees from 181 countries and geographical areas and included a celebration of [two major milestones in the global polio eradication effort](#).

Attendees were also treated to a preview of the next RI Convention, which will take place 23-26 June 2013, in Lisbon, Portugal. [Register now](#).

In his closing remarks, RI President Kalyan Banerjee reminded Rotarians that “what’s important in Rotary isn’t what we say. It’s what we do, and who we are.”

“There dwells within you the power and spirit that can evoke the energy you may not realize,” Banerjee said. “You have to be hungry enough to reach within and release the energy to help you embrace humanity. I believe this is the state we call happiness. I have just given you the prescription for it. Rotary can help you achieve happiness in life that you seek.” [Download Banerjee’s closing address](#).

Peace through service

Incoming RI President Sakuji Tanaka outlined his plans for his term, which begins 1 July. Tanaka will ask Rotarians to achieve *Peace through Service*.

From Rotary International

“Through service we learn that the problems that may seem large to us are really very small,” said Tanaka. “We learn empathy for others. We come closer to people who seem very different from us. And we begin to understand how much we are all the same.”

“Through our Rotary service, we know that cooperation is more productive than conflict,” he said. “We know that every one of us has something to give, and everyone has something to teach.” [Download Tanaka’s speech.](#)

Delegates elected nominee Ron D. Burton, of the Rotary Club of Norman, Oklahoma, USA, as the 2013-14 RI president during the fourth plenary session earlier in the day.

“I am both honored and humbled to accept the nomination of president of Rotary International,” Burton said in his acceptance remarks. “I take a tremendous amount of pride in being a Rotarian. To me, Rotary isn’t just another service organization. It is something different, something special.”

Burton says the best years are still to come for Rotary. He emphasized RI’s Strategic Plan as the tool to make that happen.

“The plan is a way to look clearly at who we are, where we are going, and how we should get there,” said Burton. “It’s a powerful reminder of our goals and priorities, which at their heart are the same as they’ve been since Rotary was founded.” [Download Burton's speech.](#)

Achieving peace

Jose Ramos-Horta, president of the Democratic Republic of Timor-Leste, talked about his country’s struggle to achieve peace. He told Rotarians that peace can be difficult but, with the right people in place, it’s attainable.

“Peace is a process — sometimes a long one, too long. It can be a formal political process,” said Ramos-Horta. “But to be sustained we have to deal with human beings as individuals, as communities, as people with traumas, emotions, and anger, but also with hopes, hearts, and feelings.”

Earlier in the session, Banerjee honored clubs and districts with the Changemaker Award and the Presidential Citation.

The Changemaker Award recognizes clubs that made an extraordinary impact during 2011-12 through the Avenues of Service. The Presidential Citation recognizes achievements related to membership development and contributing to The Rotary Foundation.

During the fourth plenary session, General Secretary John Hewko outlined five priorities for the Secretariat to get Rotary on the best footing possible to embark on its second century. These included eradicating polio, implementing the Strategic Plan and Future Vision, finding an effective way to track and demonstrate the value of the service provided by Rotarians, increasing membership, and bringing Rotary into the ranks of major players in the world of global humanitarian assistance and development

Public Relations Plan

Public Relations Plan

Main target:

To get more citizens aware, especially those who leave in Nicosia area, about our club, and our activities. What is Rotary, who are the Rotarians, what does Rotary do. Specifically, we should try to overcome and to clarify a misunderstanding and a misperception that runs across a lot of people in Cyprus that Rotary is a kind of a "sect" (heresy). This is a quite negative approach from a lot of people in Cyprus that affects the expansion, the role and the function of our club and our organization in general, especially in Cyprus a country with citizens that have very strong bonds to their religion. Also, we should seek and aim to expose and to promote most of our major activities, through the media (local and national).

Use of media:

In our days the use of media, especially electronic media, is a very powerful, important and effective tool (and vehicle) in order to promote and to inform the public about our organizations and our club's activities. We are listing below some of our initial suggestions regarding the promotion of our club's activities through the media:

- Prepare and send press (news) releases to all media (electronic and printed) regarding our major activities.
- Arrange the participation of our President and/or other Board members to various local radio programs, in order to speak and to explain the role, the function and the importance of our organization and especially our Nicosia-Lefkothea club.
- Inform the media (especially some "key" media

persons and journalists) but also the public, in general, about our official web-site, so they can visit it and get the appropriate information. They could also have a link to our weekly electronic bulletin in order to follow our meeting activities and other general activities and projects of our club.

Events that could be attractive to the media:

We should organize specific events that are attractive both to the media and to the general public.

Such events could be "tea - afternoons", dinners, special "theme" nights, or special nights (parties) at a local night club (such event could be also attractive to younger people). We can also organize special events like a Christmas Gala dinner, a Carnival dance dinner, a Saint Valentine's Day special dinner, an Easter lunch day, out in the fields, with the traditional lamb "suvla", etc. We can invite one or two notable, expert speakers (according to specific subjects and fields) well known Doctor, or a well known media personality, to give a speech thus, organizing an event open to the general public. For all these events and activities we can always collaborate with other local clubs.

Local government officials:

We could arrange meetings of our Board Members with high positioned local government officials in order to inform them about our activities, our efforts to support and to help the society through our charity activities and events and to make them aware about our existence and our function, especially in the district of Nicosia. Such meetings will be largely covered by the media.

2. Anniversary Publication
