## Letter from the District Governor

Dear Members of the Rotary Club of Nicosia Lefkothia,

As my term of service alongside you all ends, I wanted to take a moment to express my deepest gratitude for the incredible year we have shared together. While many have expressed their appreciation to me, I believe the right way to approach this is to thank each and every one of you for giving me the opportunity to be a part of this remarkable journey and for the invaluable lessons I have learned from each of you.

Having been a part of various clubs throughout my Rotary experience, I must say that your club has truly stood out to me. The level of organization, professionalism, and dedication demonstrated by the members of the Rotary Club of Nicosia Lefkothia has been truly inspiring.

As I step back and reflect on our time together, I want to extend my best wishes to all the club members and particularly to President Adeeb for the future endeavours of the club. I am confident that under your leadership, the club will continue to thrive and make a positive impact in our community.

Although our paths may diverge for now, I eagerly anticipate the opportunity to meet with you all again in the future. Thank you once again for your unwavering support, friendship, and for the privilege of serving alongside such an exceptional group of individuals.

With warm regards and best wishes,

Bashar Sh. Haddad

## Letter from the Deputy District Governor

### UNITED IN SERVICE

One year ago I took over the position of Deputy District Governor for the Rotary Clubs of Cyprus with some trepidation about the prospect of failure. Apart from the standard District goals of increasing membership numbers, delivering meaningful service projects and enhancing the public image of Rotary, my aim was to foster greater fellowship amongst Rotarians across the island. Rotary has a long history in Cyprus, the first club RC Nicosia was chartered in 1938. This club had British and Cypriot members from all of the communities living here. After the division of the island in 1974, Turkish Cypriot Rotarians could not participate in the activities of RC Nicosia and they set up a new club in Kyrenia. This was followed by another Turkish Cypriot club in Nicosia. For a long time these two clubs were ignored by Rotary International and refused charters.

In 2003 the Green Line was opened for passage to ordinary citizens without the need for special permission. International opinion of the Turkish Cypriots improved due to their 65% endorsement of the UN plan for reunification. Subsequently, another effort to have the two TC clubs chartered bore fruit and they were accepted into the fold as RC Kyrenia Liman and RC Nicosia Sarayönü in June 2004.

After this negotiations took place to agree the terms of accession to the Rotary Clubs of Cyprus of the two Turkish Cypriot clubs. These negotiations were led by PDG Kevork Mahdessian and PDDG Dinçer Çağın. We have been united now for twenty years. I do believe we are better together, our cooperation and working together to deliver service projects for our communities and beyond, serves as an example for rapprochement between the two sides of the divide.

During my year as Deputy District Governor, I have had the opportunity to meet and befriend many Rotarians from all over the island. Some have suggested that we in Rotary do much more to help the process of reunification. My reply has always been that we are doing the best we can by cooperating across the Green Line and fostering fellowship amongst all Rotarians.

We carried out successfully an island wide project to support the breeding of the European Roller. We were able to raise five thousand Euro, at the Fellowship Event in Larnaca, to be shared equally between two projects, namely the provision of a Language Lab for the Vocational High School in Karpaz and the provision of equipment for the St Lucas Disabled Children's Home, which is under construction.

The Rotary Club of Nicosia Lefkothea had a particularly successful year in 2023-2024, and I was happy to attend the meeting when six new members were pinned. Congratulations to the

President Adib Mounla and the board. I am sure that President Akis Papachristodoulou will carry on the excellent work.

We are “United in Service” and will continue to work together to further the aims of Rotary International, in the service of humanity.

Tashtan Altuner

Deputy District Governor 2023-2024

## Letter from the Assistant District Governor

Fellow Rotarians,

I would firstly like to thank P Adib Mounla for his excellent cooperation and respect he had throughout his Rotarian year with me as his Assistant Governor.

Moreover, I would also like to congratulate P Adib, his board and the members of his Rotary Club of Nicosia Lefkothea for their efforts in their community projects and their contribution in Service Above Self as they have exceeded their goals and to wish them every success in obtaining all 5 District Awards that they have submitted as they deserve it!

P. Adib, I wish you a successful future in all your new Rotarian endeavours that you may decide to take on and a big thank you to your beautiful wife Dana and your two lovely daughters for their love, support and encouragement they provided you with.

Now, to the new Club President Akis, I wish you also a great and successful Rotarian year and I look forward to an even greater cooperation with you as well as your AG.

Anna Hadjimarcou  
Assistant District Governor 2023-2024

# Letter from the President

It has been a great honor to serve as the President of the Rotary Club of Nicosia Lefkothea for the past Rotary year.

Rotary is more than just an organization; it is a family, a collective of dedicated individuals who are committed to making a difference in our community and beyond. Together, we have faced challenges, celebrated successes, and above all, as a Club we have grown.

None of these accomplishments would have been possible without the unwavering support and tireless efforts of each and every one of our Club members and District 2452 and Cyprus Rotary Leadership teams. Our passion for service and dedication to the ideals of Rotary have been the driving force behind our success.

To our board members and committee chairs, your leadership and vision have been instrumental in guiding our club forward. Your commitment to excellence has not only set a high standard but has also inspired others to rise to the occasion.

As I pass the gavel to our incoming president, Akis Papachristodoulou, I am confident that our club is in capable hands.

On this occasion, I would like to express my heartfelt thanks to my family for their patience and understanding, to my fellow Rotarians for their camaraderie and trust, and to our community for their engagement and support.

Adib Mounla  
Club President 2023-2024

## Letter from the Incoming President

Our club is committed to serve our communities through the design and successful implementation of sustainable projects. We have achieved this commitment in almost all cases through collaboration with other Rotary Clubs in Cyprus and abroad but also with other organisations outside the Rotary family. We are indeed proud of the achievements of our club which is about to deliver yet another GG project to the Americas Foundation worth 85.000 euros.

We thank the collaborating RCs of Nicosia Salamis, Famagusta and Kourion and particularly our international partner club Bietigheim-Vaihingen from district 1830.

Special thanks go also to OPAP for their significant financial support.

Credit is due to our outgoing President Adib, PDDG Iacovos, PP Panicos PP Popi and DDGE Demetris who were the team responsible for the successful completion of the project.

Increase in membership is a permanent goal. Currently with over 60 members makes us I believe the biggest Rotary club in Cyprus.

On this note I would like to welcome each and every one of our new members in our Rotary Family and assure them of our full support in their induction to Rotary.

The success of our club over the years makes the job of every incoming president more challenging as the high standards set by the predecessors have to be maintained and improved.

I am sure that with the support of our members, the new board and the various rotary bodies in Cyprus, our District and Internationally we will take our club one step further.

The need for closer interaction between our members has been identified and as such it is the intention of the Board to strengthen our bonds by organizing fellowship events appealing to all ages and tastes.

**THIS WILL BE THE PRIORITY OF MY YEAR IN OFFICE.**

We shall of course continue our humanitarian work in parallel and hope to support an ambitious global grant project which is considered by Cyprus Rotary.

Akis Papachristodoulou  
President Elect 2024-2025

## ROTARY CITATION

## **DISTRICT AWARDS**

The Rotary Club of Nicosia Lefkothea was honored to receive the following five awards in recognition of the activities delivered during the Rotary Year 2023-2024. The awards were received during the June 2024 District Conference that was held in Amman Jordan.

Awards categories:

- Community and Vocational Service: GOLD award
- Membership: GOLD Award
- Rotary Foundation: SILVER Award
- Administration: SILVER Award
- Public Image: SILVER Award

**Global Grant 2352702: IN SUPPORT OF LIFE II**

The Rotary Club of Nicosia Lefkothea is a leading Club in global grant projects. This is due to the multiplier effect that is offered by the Rotary Foundation.

The Rotary Club of Nicosia-Lefkothea RD 2452 (Local Host Club) in partnership with the Rotary Club Bietigheim-Vaihingen RD 1830 (International Partner Club), with the support of other Rotary Clubs from Cyprus and abroad, submitted the Global Grant application under the Disease Prevention and Treatment Area of Focus of Rotary International, for the donation of the required equipment, namely, a Panthera Puncher 9 with its Plate shaker 220V, a Plate Dispenser and two Dispenser Units to the Centre for Preventive Pediatrics “Americos Argyriou” (CFPP).

The equipment enabled the Centre to enhance its current program of preventive diagnostic screening with additional tests, which are provided free of charge, to all neonatal infants born in the Republic of Cyprus, irrespective of ethnicity religion or social status, and background.

The global grant application has been submitted and approved by the Rotary Foundation.

The equipment was installed by the supplier at the Centre for Preventive Pediatrics “Americos Argyriou”, training was provided and the equipment is currently fully operational. The official Handover ceremony is scheduled for September 2024 and will be covered by media and attended by Rotarians, health professionals and the general public.

The Rotary Club of Nicosia-Lefkothea sponsored and supported a Charity Concert entitled "Love Melodies" which took place on October 14, 2023 at the Municipal Theater of Nicosia. The 15-year-old tenor Ioannis Livanos is the initiator of this Concert, which he led. The net proceeds of the event were donated to "Little Heroes", which aims to provide financial support to families of children with cancer and leukemia at the Paediatric Oncology Unit of Makarios Children's Hospital. Ioannis Livanos is only 15 years old and is a tenor. From an early age, his musical talent became apparent and from then on he began vocal, piano and theory lessons at the Pancyprian Conservatory of Nicosia where he continues to study to this day. He has taken part in many music competitions both in Cyprus and abroad where he won first prizes. He has sung at many charity events in Cyprus and has taken part in theatrical performances in leading roles in operas.

### **RC Nicosia Lefkothea at the European University event : "How Artificial Intelligence is Transforming the World"**

The Rotary Club of Nicosia Lefkothea was a sponsor and supporter of the Artificial Intelligence Seminar that took place within the Framework of the 11th multidisciplinary biomedical congress organized by the European University medical School (Nicosia- Cyprus). Club President Adib Mounla delivered the welcome note of the event on behalf of the Club and emphasized on the important of AI and how it can also transform how Rotary operates and conducts its projects. The speech also included information about Rotary, the Polio Rotary Campaign and information about the activities of the Rotary Club of Nicosia Lefkothea. The event was covered by media and attended by hundreds of professionals, academics and students and was a good occasion to create awareness about Rotary.
