Dear RC Nicosia Lefkothea members and guests,

I would like to thank my fellow Rotarians for selecting me to lead the Rotary Club of Nicosia Lefkothea as President for the current Rotary year.

I am indeed honored to be given this opportunity to serve in this capacity with the help and support of our Board members, Committee Chairs (mostly young and new members) and fellow Club members.

You have my sincere assurance that I will be dedicated to the cause of Rotary in this role. Our main goals for this year would be to continue the implementation of the 5-year Strategic Plan that covers some goals such as membership development, continuous Rotary information, modernization and digitization of the Club processes, diversified and sustainable service projects.

Above all, I will strive to foster a two-way communication between Club members and Committee Chairs by making sure that all members are constantly updated on the regular operations in the Club.
