

Rotary

Club of Limassol

WEEKLY NEWSLETTER NO. 7

The meeting was held as a business meeting. After the general announcements by the secretary, the following items were also mentioned:

- membership fees were due on 1st July and should be paid as soon as possible. Membership cards will be handed out to members regardless of whether they have paid the fees
- the board agreed on the programme for September and October - see box on right side
- the District Conference will be held from 19th to 22nd March 2015 in Manama/Bahrain (see invitation attached)
- the District Membership Chair has started a competition on how to improve Rotary Membership. All Rotarians are invited to participate - further details are attached

The President reported on the recent meeting with other presidents of Limassol Clubs, during which it was agreed to improve cooperation. The first result is a joint fellowship day at Ladies' Mile in the form of a Beach Cleaning Exercise on 21st September. Furthermore, on 6th October there will be a joint meeting with the Minister of Finance, Harris Georgiades, as a guest speaker (organized by our club).

The presidents also discussed a joint project, large enough to attract a Global Grant. The initial idea is for a drinking water project in all Limassol schools. The president invited further ideas, and the following was raised:

Rot Fofis Christofides suggested to give to pupils in need school bags, and/or clothing items. This would be a project that can be accomplished by our Club alone.

PP George Papadopoulos suggested to purchase a photovoltaic plant for one of the Limassol benevolent organisations - this would be a large enough project for all Limassol Clubs. The president agreed to propose this to the other Limassol club presidents.

The secretary announced that PP George Countas had discussed with the Limassol Red Cross that our club would assist with painting their new offices. The date would be end September / beginning of October, and further details will be announced.
