

Rotary

Club of Limassol

WEEKLY NEWSLETTER NO. 26

The meeting was a business meeting. After the usual announcements, the secretary read a letter of gratitude received from Ayios Stephanos. The president stated that the club will continue its support of Ayios Stephanos.

-The president mentioned that the fellowship meeting last week was a great success, and thanked Andreas Constantinides for the arrangements. Socrates Socratous agreed that it was a very good event.

--The president proposed to donate a vitrine to the Pattachion Public Museum to showcase old cutlery and crockery from Limassol hotels worth EUR 1000. The project was approved.

-The president proposed that the donation of shopping vouchers worth EUR 4700 should be spent at Papantoniou supermarket (who will add another EUR 350). Papantoniou will prepare parcels to be distributed to needy people for Easter. The project was approved, George Countas will contact Red Cross for distribution

-The president mentioned the proposal for a joint project of 3 Limassol clubs for outdoor fitness equipment to be installed on Molos. The contribution of our club will be raised through an event (proposal: Sunday brunch at D Rohdenburg's place). The project was approved.

-The president asked for proposals of PHF candidates. PP Adolfo Kanneitis proposed to make each president a PHF on conclusion of his term. PP Panikos Loizou suggested to defer the bestowal of PHF until 5 years after conclusion of the term. The proposal was agreed.

-Socrates Socratous proposed the supply of garbage compactors to local communities. It was agreed that this was a good future project.

-After discussions and vote, the members (re-) approved 'in principal' membership for women in our club.

-The president asked if anybody was aware of the terms under which the club constructed and handed over Ay Panteleimon. It was suggested that the president contact PP John Tiritas and PP Stathis Papadakis.
