

## WEEKLY NEWSLETTER NO. 36

The meeting today was a visit to the Motor Car Museum operated by Mr Dimis Mavropoulos , at Ypsonas Limassol.

Dimis gave us an excellent tour around and explained the history, engineering and many other details about the historic cars there, some of which are unique in the world. There are cars used by late President Makarios, Margaret Thatcher as well as equally famous Mr Bean!! The last model of the Mini ever made before the BMW take over as well as some of the oldest cars in Cyprus dating back to 1900's. Every car had a bit of history and reason to be in museum.

Rotarian Graham Lock, being in the motor industry for many years also spoke of his unique experiences with making car parts including some for the Soviet Union.

The president thanked Mr Dimis Mavropoulos for the excellent day we had and the good work that the museum is doing. All the members agreed to pay €25 each and the surplus was donated to the Museum.

It was a pity that only 12 Rotarians turned up!!
