Rotary was first introduced into Cyprus in 1938. Rotary Club Of Limassol – the **second Club in Cyprus** – received its charter in 1951 with 21 members. At that time its membership included Greeks, Britons and Turks. At the beginning of 2013 there were 68 members. The first President of the Club was the British District Commissioner Mr. A. H. Dutton. All the members, irrespective of nationality, creed or religion, met in harmony, love and esteem, and collaborated closely for the welfare of the community. Imbued with the ideal of service, they carried out various projects which greatly helped the Limassol community.

After everything in her life falls to pieces, including her marriage to wealthy businessman Hal, elegant New York socialite Jasmine moves into her sister Ginger's modest apartment in San Francisco to try to pull herself back together again.
