Minutes of the meeting at the Presidential Palace.

On the 19th of January, on Sunday at 8:00 pm, the Cyprus Rotary Fund Raising Event for Polio and the PHF twin award ceremony to his Excellency the President of the Cyprus Republic Nicos Anastasiades was held at the Presidential Palace. The event was a huge success as 50 Rotarians and guests from our club attended the event. The attendance reached 67%. Although the seating arrangement was not that good for all, as it should for a club who contributed a lot for the success of this event, the target of raising funds for the eradication of Polio was met as well as the 1st PHF award to the President by our Club took place in an successful ceremony. President Thasos had the opportunity to explain to his Excellency Nicos Anastasiades about our 1st PHF award in November last year and to the fact that our award was awarded to him for his continuous efforts to avoid the Bankruptcy of the Republic of Cyprus for the benefit of all Cypriots.

We all had a relaxing night and a wonderful 5 course Dinner . Going there as a group with a special bus and the jokes / songs by our Sgt at Arms Rotarian Kyriacos Kalogreades and PP Andys Georgiades, contributed a lot to fellowship.

President Thasos thanked all Rotarians for their response as by attending they contributed substantially to the Club's contribution for the eradication of Polio. This was accomplished due to the generous offer of the participants to this event (20 euro per person and to the high attendance (50X20= 1000 euro).

The President also mentioned that all members of the club who did not participate should contribute at least 20 Euros each for the club's funds.

Photos of the event, more than 200, were taken by our Club's photographer.

The event finished around 23:15.
