Minutes of the meeting

President Thasos opened the meeting at 1:15 pm and welcomed all Rotarians.

The President welcomed the speaker of the day Dr George Constantinides and asked all Rotarians to keep one minute silence in memory of PP and PHF Nicos Countas.

The secretary announced that the Donations in Memory of PP Nicos Countas exceeded the sum of 1500 euro. He wished also to Rotarian G. Kaponides many happy returns for his Birthday.

The President also informed the club about the future program.

On the 25th of June the president will deliver his End of the Year Report. On the 2nd of July, the changeover ceremony will take place at 8:30 pm (Ladies Night) at Crown Plaza.

PP Petrakis thanked all Rotarians who supported the charity event at his house on the 13th of June — Alkyonides Night.

Incoming President Vasilis Hadjivasiliou put forward the idea to have the 1st meeting of his Presidency on the 9th of July at Chester's in view of the World Cup.

The President introduced the Guest Speaker Dr George Constantinides (Short CV attached) who talked to us about Nanotechnology. His speech was an extremely interesting and informative one. A vivid discussion followed and a lot of interesting issues were explained in an understandable, for the non-scientific audience, way. The President thanked the speaker for his really excellent speech and presented him with the Club's Certificate of Appreciation and the Guest Speaker's gift - a Brass Paper weight.

The Meeting was adjourned at 2:45 pm
