## Minutes of the meeting.

President Thasos called the meeting to order at 13.15 and welcomed all Rotarians.

The President welcomed the speaker Mr Soteris Kolettas Director of the Department of Road Transport and PP of RC Nicosia-Salamis.

Rotarian Louis Loizou conveyed his sincere thanks and appreciation to the club members for their generous donations in memory of his father late Takis Loizou to his family's chosen charities and the club's funds.

Yesterday the 3rd meeting of the board took place during which the Questionnaire was finalised and will be uploaded for completion, incognito, by all members. Detailed instructions will be handed during next week's meeting by the coordinating officer of the survey Rot. George Araouzou.

The President introduced the speaker and PP Kolettas proceeded to his speech that was very interesting and informative. Plenty of Rotarians had the opportunity to ask various questions on the newly introduced system for road licenses tax and other duties on motor vehicles based on CO<sup>2</sup> emissions per Km. President Thasos thanked the speaker for his excellent speech and his patience to answer all questions raised.

No other matters were risen so the President closed the meeting at 14.40
