Weekly message:

Vocational Service focuses on adherence to and including fair treatment of employers, employees, associates, competitors and the public. The contribution of your vocational talents is to solving the problems of society and meeting the needs of the community and not just those that are pursued by Rotarians.

VOCATIONAL SERVICE MONTH

During October, Rotarians are encouraged to focus on this important avenue of Rotary service. Discussions on vocational service can lead to projects that not only develop the ethical consciousness and vocational skills of Rotarians but also the talents within their communities. Vocational Service Month is an opportunity to begin year-long vocational service activities, ranging from Rotary discussions to awards to community projects.
