The President's Party on Friday October 17:

62 persons were present.

Rtn J Badaoui was inducted and Rtn Göran Svensson was reinstated. The ceremonial part was somewhat disturbed by the noise of another party in the restaurant. This had not been foreseen and President Louisa wishes to express her regret to the two new Rotarians about this. They are both welcome and embraced by the club and P Louisa would like to express the feeling that we are all proud to have them in our club. The net profit to the Scholarship Fund from the party is € 1611 including two donations of € 225.

World Polio Day 2014^{October 24}

End Polio

Rotary, along with [our partners](#), has reduced polio cases by 99 percent worldwide since our first project to vaccinate children in the Philippines in 1979. We are close to eradicating polio, but we need your help. Whether you have a few minutes or a few hours, here are some ways to make a global impact and protect children against polio forever.

Give

Rotarians have helped immunize more than 2 billion children against polio in 122 countries. For as little as \$0.60, a child can be protected against this crippling disease for life.

[Give now](#)

Your gift to the PolioPlus Fund is eligible for [Paul Harris Society](#) recognition. You can maximize support for polio eradication within your club and your community by organizing a fundraiser. [Get some ideas](#).

- Harness the power of the press by writing an [opinion piece](#) or a [letter to the editor](#).

Become an advocate

Make sure policymakers know how important it is to eliminate polio. You can:
