This went very well. When Treasurer, Walter Bopp, is back he will give a full account of tickets sold and expenses. P Louisa can report though, that using her simple book-keeping methods – the net proceeds are 2500 eu towards the Scholarship Fund. The success was beyond expectations: The concept was that audience relax, enjoy and sing along. The photos below are proof.

Pavement Souvlaki fellowship night

This also went very well. Aspelia were joined by RC of Nicosia. There was a group of 40 Rotarians and Aspelia and Nicosia celebrated a number of birthdays simultaneously. Although the service was initially a little slow, the quality of the food proved to be very good. Everyone enjoyed themselves in a relaxed and unpretentious way.

Below is the September programme which has been put together by P Louisa during the summer recess, hoping that fellow Members will find it interesting and exciting. There will be three interesting speakers and voting. So, irrespective of whether Members are in favour of lunch or evening meetings they should come along and vote and in so doing express their will.
