### GOVERNOR'S MESSAGE

*Thank You! Thank You!! Thank You!!!*

Dear Rotarians, Spouses, Rotaractors, Volunteers,  
Distinguished Guests,

Thank You for making our 77<sup>th</sup> District Conference  
"The Best of the Last" of District 2450,

Together with our Organising Chairman and Committee members, we found no words other than those of gratitude for your record attendance and lively participation in all events to make this an unforgettable District Conference, one to remember for many years to come.

Yes, we had tears in our eyes when the two new Districts were introduced, but soon those tears changed into tears of happiness with the promise of co-operation and sincere desires for mutual involvement in projects, seminars and joint activities as well as of fellowship and fun.

There is no need to say anything further about the feelings of participants throughout their time at the Conference. "A photo says a thousand words" they say, so scroll down dear friends to see for yourselves and enjoy the moments.

We loved having you with us and thank you all warmly for your encouragements during our difficult days, but as we said before, we would not kneel under the burdens imposed on us and as promised, we delivered the best we could.

Our Thanks to our Guests of Honour, PRIP Luis and Celia Giay, Samuel and Norah Owori, for being with us and encouraging us to the end.

Thank you PRIP Luis Giay for your kind words and appreciation for our efforts which go to all our hard working Committee members, volunteers, Rotaractors,

aids and to all the participants at our 77<sup>th</sup> District Conference, the Last of District 2450.

Apart from my unreserved feelings of gratitude to DDGE Christina Covotsou-Patroclou, a special word of thanks is appropriate for PDG Doros Jeropoulos, who, even though made our lives miserable on many occasions, his prodding and pestering was always conducive for the success of our Conference and was there to offer help based on his past experiences for which we are extremely grateful.

**Thank you, thank you all, for a wonderful and unforgettable Conference.**

Yours in Rotary

*Kevork Mahdessian*

District 2450 Governor 2012-13

## Governor's April Message

April is set down in our Rotary calendar as Magazine Month. This is a time when we look at the information presented to us in the variety of Magazines that are used to express what Rotary is doing across the world, with most of us being aware of Rotary Down Under-our own official Regional Magazine "The Rotary Magazine", and "The Rotarian" The official Magazine of Rotary International.

One of our obligations as Rotarians is to receive one of these publications as a part of our membership, but how much attention do you pay to the magazine that is delivered to you each month or in couple months?

Do you read the magazine from cover to cover looking for your club's photos or looking for our District and its clubs in general to find out what programs or projects have been reported on? How often do you send through your country's correspondent, something that is of interest in our community or an interesting article and photographs for publication as your contribution to the magazine? You can share your magazine with others – put it out in your workplace and let others read about our achievement. You can use Rotary Down Under as means of encouraging prospective members to join.

April being the Magazine Month, as such it is of importance to highlight its effect as a good source of information and the necessity of Member's involvement and participation in its edition, promoting their clubs' achievement and securing cooperation in Matching Grant and mutual Humanitarian projects.

The Rotary World Magazine Press consists of 32 Magazines from Africa. The Americas, Asia, Australia and Europe that inform, inspire and entertain in 23 languages.

Our District Magazine is one of these 32 or so Regional Magazines that are distributed in 121 countries published in 20 languages and have a combined total circulation of 750.000 issues. The RI laws require all club members to subscribe to the Rotarian or a Rotary Regional Magazine According to the Manual of Procedure the purpose of the Rotary Magazine publication is to serve as a medium to assist The Rotary international Board in furthering the purpose of Rotary and its Object.

Today the printed press is threatened by technology and a digital world, a development we should not and cannot halt, but hopefully it will be a complimentary to the press.

Not long ago international communication was dependant on the telegram that was replaced by the Telex machine followed by the facsimile and currently by the Internet. It is however to recognize that daily newspapers, magazine periodicals, Books are difficult to replace and should not be replaced but are there to stay as it has been in the past!

Each Magazine is unique with local editorial slant. Our own District Magazine the "Rotary" is published in three languages with its new look, attractive facelift, serves all Countries of the District and seeks the contribution and involvement of all.

The benefit is great information on clubs, District and International level, exchange of views, friendship, cooperation in projects, possible exchange of visits, vocational awareness and personal contact. **To be a ROTARIAN needs INVOLVE-MENT.**

## MESSAGE FROM

## CONFERENCE ORGANISING COMMITTEE CHAIRMAN

**DGE CHRISTINA COVOTSOU-PATROCLOU**

Dear Fellow Rotarians,

What an experience this has been.

The burden placed on our shoulders to produce happy memories for the last Conference of District 2450 had been weighing on the Organising committee until the evening of the 4th April 2013.

For the last 18 months we have had very nice ups but had more downs on the way to the end.

But on the evening of the 4th April, when we heard most of our fellow Rotarians and guests singing to the sounds of ABBA with the Grammar School Students, when the room was filled with 850 buzzing people eating and drinking, with smiles and lively conversation, when the dancing floor was full of Rotarians, guests, friends and students all together dancing happily. All like one great big family!

When at the Gala Dinner DG Kevork handed over the banners of the 2 new Districts to the DGEs Yasser and Jamil, and there were tears in our eyes and when once again we put the tears away to dance all night. When most of you missed the rare scene of a DG, a DGE and a Chair of the Organising Committee dancing on the tables with everyone around cheering on.

When in the mornings, the auditorium was constantly full with an interested audience, when speakers filled us with their thoughts, and clubs went away with their prizes to document their service. When PRIP Luis Giay gave us 10 out of 10.

Finally when we all hugged besides the buses with our eyes filled with a sparkle of respect for one another, with new tears, with a wealth of memories and cameras filled with thousands of digital pictures.....then we all thought.....

We must have done something right!

On behalf of all Rotarians, family and friends, from Cyprus and across the District, who in one way or another contributed to *the Last of the Best* so that ALL of us together we could make the *Best of the Last*

Farewell new and old friends until we meet again to recall our old memories and make new ones.
